

# LED Display Master Fixture

## 4 Foot Aisle Lighter

Using Vi-Tek 93® Plus LED'S

**USA  
Made  
with US  
Steel**

**7 year warranty  
included!**

### Technical Data

### HH3103/LED

**Mounting:** Fixture is designed for chain or gripple installations.

**Reflectors:** Computer designed reflectors for highbay applications. Consult factory for reflector options.

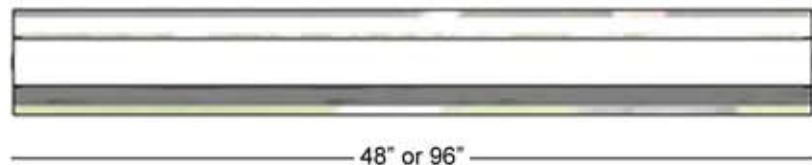

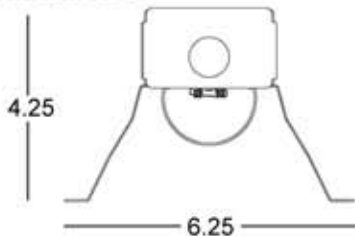

**Construction:** The solid body provides added rigidity. The socket bars are securely bolted to the fixture body. The reflector attaches with quarter-turn fasteners. No tools are required for reflector installation and removal.

**Optical:** Proprietary 95% enhanced aluminum reflector design fully optimized using computer analysis and manufactured using state of the art cnc equipment.

**Housing:** 20ga. (0.032") pre-painted steel die formed with sufficient knockouts for mounting and electrical supply.

**Finish:** All cold rolled steel parts are painted with a smooth, glossy, highly reflective white paint.

### Dimensions

### Features

Ideal for narrow aisles and warehouse spaces. Utilizes Osram PrevaLED boards and Optotronic drivers. Optional Motion control and step dimming available. Superior heat dissipation for cool running operation.
