

ADJUSTABLE LINEAR HIGHBAY CAGE

Model: 65-652, 65-653

INSTALLATION INSTRUCTIONS

IMPORTANT: Read before installing fixture. Retain for future reference.

FIXTURE

Each fixture requires two cages.

INSTALLATION

STEP 1 - Align cage with the fixture module, tighten the screws.

STEP 2 - Recess the metal plate into the fixture end cap, tighten screws.

STEP 3 - Repeat step one and step two for second cage.

Completed fixture with cages.
