### Notes

### General

|                           |                    |
|---------------------------|--------------------|
| Status                    | Active             |
| Finish                    | Black              |
| Wattage                   | 132W               |
| Length (in.)              | 288.00             |
| Indoor or Outdoor Fixture | Indoor and Outdoor |

### Specifications

|                        |                                        |
|------------------------|----------------------------------------|
| Rated Hours            | 15000                                  |
| Voltage                | 120V                                   |
| Weight (lb.)           | 3.13                                   |
| Fixture Material       | PVC                                    |
| Fixture Type           | String Light                           |
| Max. Connectable Units | 10                                     |
| Operating Temperature  | -20C (-4F) to a maximum of +60 (+140F) |

### Dimensions

|             |         |
|-------------|---------|
| Wire Length | 288 in. |
|-------------|---------|

### Compliance

|                    |                 |
|--------------------|-----------------|
| Safety Listing     | cETLus - Listed |
| Location Rating    | Wet             |
| Energy Star        | No              |
| California Prop 65 | Lead            |
| RoHS Compliant     | Yes             |
| FCC Compliant      | Yes             |

### Additional Information

|                        |                                                          |
|------------------------|----------------------------------------------------------|
| Additional Information | Connect up to 240 feet; 10 sets LED; 3 sets Incandescent |
| Warranty               | 3 Year Limited                                           |
